Commander:

Greetings:

I want to personally invite you and your Post to the March 10, 2012; District 1 Spring Convention. It will be held at Post 488 in New Boston Tex. I would welcome the opportunity to meet, greet and discuss any concerns regarding your Post. Also, I would like to request your cooperation and feedback in a project that we will endeavor to promote in Marshall this year.

We would like to have an awards ceremony to recognize the World War II Veterans that are still alive in the District. If you know any or have any at your Post, would you please submit their names; branch of service, service number etc, if possible.

We are tentatively planning for May 26, 2012. Any feedback would be greatly appreciated.

Cordially,

Leroy Anderson Enterprise

1st District Commander
